The image shows a cross-stitch pattern for a vase. The vase has a wide rim at the top, a narrow neck, and a bulbous body with a decorative pattern. The pattern consists of a grid of squares, some of which are filled with various colors and symbols. A legend on the right side of the page lists 19 different symbols and their corresponding DMC thread colors. The symbols include various shades of blue, black, white, and red, as well as geometric shapes like squares, diamonds, and triangles. A small inset at the bottom right shows a detail of the vase's base, which features a decorative border with a repeating pattern of small squares and dots.
